Product description

- 140LPW & 150LPW
- Osram driver and Philips chips
- Aesthetic design construction with black powder coated finish shows elegant and concise appearance.
- High corrosion resistance die-cast copper-free aluminum body.
- Polyester powder coating with phosphochromating pre-finish.

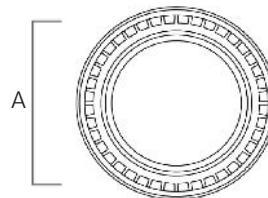

Technical lighting data

Luminous flux: 14,000-36,000 lm
 Lamp wattage: 100-240 W
 Light efficacy: 140 lm/W, 150 lm/W
 Colour rendering index: Ra70, Ra80
 CCT: 3000K / 4000K / 5000K / 6500K

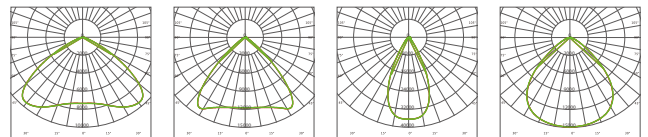

Technical Electrical data

Power supply: 220-240Vac / 50/60 Hz
 Protection class/category: IP65/I/CE
 Housing: Aluminum Alloy

Dimensional drawing

Polar drawing

Wattage:
100W, 150W
Dimensions:
Φ264mm(A)x 204mm(B)
Lumens(±5%):
15000lm, 22500lm

Wattage:
200W, 240W
Dimensions:
Φ339mm(A) x 233mm(B)
Lumens(±5%):
30000lm, 36000lm
